VIGNESHWARAN P

Associate Software Engineer

📞 **9080194746** @ **pvigneshwaran2018@gmail.com** 🔗 **https://vigneshwaran2907-portfolio.netlify.app**

📍 **Chennai**

SUMMARY

A dedicated Full Stack Developer with 3 years of experience in building secure, scalable web applications using Java, Spring Boot, Angular, and SQL. Skilled in developing robust APIs, responsive UIs, and implementing advanced security standards. Collaborative team player with a strong focus on delivering high-quality, efficient solutions.

EXPERIENCE

Full Stack Developer
Clarium Tech Pvt ltd

📅 09/2022 - Present 📍 Chennai

Backend Development:

Worked on developing **secure and efficient REST APIs** using **Java** and **Spring Boot**. Implemented advanced security features like **Spring Security**, **JWT**, **SAML**, and **OAuth2**. Gained experience with **JPA** and **Hibernate**, writing **complex SQL queries**, **triggers** and **stored procedures**. Built **microservices architecture**, configured **API Gateway**, and worked on **multi-module applications** in both **monolithic and distributed systems**.

Frontend Development:

Developed **responsive and user-friendly interfaces** using **Angular**. Created **customized and reusable components** to improve UI consistency and performance. Worked with **HTML5**, **CSS3**, **JavaScript**, and **TypeScript**, implementing **reusable error handling, form validation and API integration**

Version Control & Collaboration:

Utilized **Git** for **version control**, maintaining clean and efficient code through **proper branching strategies** and **comprehensive code reviews**. Collaborated effectively with **cross-functional teams**, including **frontend**, **backend**, and **QA**, ensuring smooth project execution. Worked within an **Agile environment**, actively participating in **sprint planning**, **daily stand-ups**, and **retrospectives** to deliver high-quality projects on time.

On Job Training - Full Stack Developer
Clarium Tech Pvt ltd

📅 01/2022 - 08/2022 📍 Chennai

Completed comprehensive on-the-job training as a Full Stack Developer, gaining hands-on experience in building secure, scalable web applications using Java, Spring Boot, Angular, and SQL.

EDUCATION

Information Technology
Panimalar Institute of Technology

📅 08/2018 - 07/2022 📍 Chennai

CGPA
8.6 / 10

Biology-Mathematics
Nadar Saraswathi Higher Secondary School
